> Letters to the Editor. To the Editor of the "Doily Press."

HONUKONO, 2nd Nove mber, 1863 DEAR SIR - In my former latter to you relative a the pircey on board the H-ary Darling, I gave. simply a general summers of the sffair: now I am w little betier, and can give you more details, so

that it may lead to the mot of the matter. I have heard that the ouptaid has died since. He man in his last moments, giving two or three con-About 2 o'clock P.M. the next day (26th instant) the pilot came alongside the Henry Dailing bring-

deem etrunge no one had taken any riotice of this man ... how very anxiously he looked towards the Lorena that had been hovering about on from about 10 o'dlock in the forencon; he roon began in tell us of what the Lorcha had been doing in the way of fighting, &c., &c.; as he seemed perfectly ognizant of all their doings; at least for some time back, when the firing conducted (through he was the first one who recommended such a course to certainly was the first also to make his exit from the Quarter deck to some of the regions below, nor did I see him any more until the arrying away of the things but of the cabin. fter I was builted up out of the water, nearly hours after and no I have beard it ofen remarked every man does serne foolish thing in his life time; so with him in the burry o carry of a portion of his booty; he had pulled his papers out of his pocket, and they are at present a board the ship, giving his name, which is in English on one side, and Chinese the other, May ark can, no information be gleaned from such a altiable destinent, surely some of our Hongkong nterpreters could make good des Afit, but strangir still after the Lorcha had put off from the ship called flown below for the Pilot, he had disappearand gone with them in that floating den of the createst thieves and murderers that perhaps ever soiled; no doubt but by him telling on of what the Coroba had been doing was simply to convay to due minds that be was no partaker of the good

things (poor inan-cent Chinesefor by telling us o fire, a signal for them to come down on us at one -, in fact a person may look at this in many ways, but I am convinced he was an accomplice, at all events he played his cards well for them, days (as I believe there are some epicures smang the celentials) which made bim leave in the lercha for they left us neither money, food, or clothing. But they did leave us two short swords, probably each others, as they had practised so well on the Captain at the latter part of the fight after he way ad-or as they had served the carpenter, for after these were shot they slashed thom with this same sword and bayoneted them so as to make the dead doubly or trebly an, or assurance double sure. But this sword may tell a tale, as I bear the Captoin of that Hamburg brig who was taken a short time back—says the same swords were in his resset only wish be had kept them there, for I feel the freets on the side of my face from the blow given from one of them now; at this time I was standing (or act dawn) arraigned before this tribunal of murderors and told though my life should be sparod and they would affew me to lower the ship's

gig, which was bunk on the port davits, that they would burn the vewel. This news certainly did not elevate my apivite, or tend to improve my condition, in fact the places now can be seen on board the ship where the attempt was made, but I got them to relinquish their object, as well as to allow my boy to go about with his head on, which so doubt the boy preferred. The tall man (pirate) fold me that I could take her to Hongkong, as he questioned me about the quantity of money her o spers (whose are Chinese) where from, and where boand -, that they wanted the Captain and he other, meaning the Obief mate (se the 2d had left in Swatow to join another ship), and that they would make small things of them. The Gaptain I knew was far enough out of their way, and I had thought the Chief mate was ditto, but fortunately, though he had got four bullets in him, he was sale in the fore-tops my boy told me by their conversation that they intended going to Macao. I suppose the woll our things, in fact there are many things that can be of use only to sell in een port towns, and I should certainly recommend sending some one over the re to ferret out all the information; certainly there were two Portuguese among them, dressed in Chinese clothes and tails on, and one of these was the man who spared my life, and must look on him very leniently; he protected no from many totalts giving me back my athus of portraits, though it was afterwards taken from me by one of the other villains in his absence; on taking from my finger a ring. being rather tight on, be (a tall thin man) drew from his helt a short sharp knife saying, maskee. I can cut your inger off, but I rather demurred to this, and pulled it off, though my hand and little finger was most severely cut, and a half through my arm. Now came the greatest trial of all to get the ship into Ma. W. R. Cunninguin, ship chandler was bim, one to the! wer part of his bowel- hearly fatal. summensed for keeping a ferocious of gommuzaled. two in his left thigh, the other though a little above Lor An Hang said he was a berdoman and had the heel, almost severing the tenden, blowing brenght a butlook from Kowlean yesterday. When strong, and both of us very weak; in fact I was passing slong the Praya a dog reshed out of a nearly delirious, from being in the water nearly tated at the thought that in a country with which where and bit the bulleck. The bullock knocked an hour and half, and loss of blood, my lungs filhim (witness) down and then the doig bbs him in ling with that material from the buyonet wound the log. The dog was a foreign dog of middling in the back going hearly through me. I wish to size but the was so frightened at the time that he ask some of your readers if they could suggest any plan to have helped us, as since my last latter. was published, I have beard so many opinious given, each one differing in the mede of execution that a person's mind mart be on phont as an ener to bend and fit to each idea mooted and as thirsty as a sponge to take all in : one man save if he had
